### **Self Evaluation**

Program and project evaluation takes place on various cycles depending on the nature of the funding. CDBG Public Service funds are monitored through quarterly reporting and an annual site visit. During FY 2002 all projects were in good standing. Their numerical progress is charted on the attached spreadsheet.

SHP contracts are monitored through annual reporting and site visits. The numbers of clients served are also on the attached spreadsheet. The ESG funding is used solely for supporting the operating costs of shelters and is not a client-based form of assistance.
